KILLER - He's going to find you. "Thorn is the new, fresh face in horror and dark fantasy." JA Konrath (aka Jack Kilborn) "J. doesn't mess around, he jumps right into the action and delivers an inventive blend of genres." Scott Nicholson, bestselling author of the AFTER series "Thorn brings an intelligence and thoughtfulness to horror. Someone who treats the genre, and its readers, with the respect they deserve." David Wright, co-author of the bestselling horror and sci-fi Yesterday's Gone series Overview: A generation after manned space exploration provides hope to those on our dying planet, scientists discover a method for sending human DNA into the far reaches of the universe and the distant past. But only Americans with superior genes and a clean criminal record qualify. A government agency, Colony, creates the Lottery to sort through the masses, hoping to find those worthy of populating other planets to save humanity. But the system is flawed and one wicked man infiltrates Colony. He plans to destroy humanity from the inside out.
