The New Dark Suspence Romance "Brothers In Ink" - Get To Know PRESTON! It's PRESTON. I want him, there's no doubt about it. But there is something mysterious about him. There are so many questions. I never thought that the answers would change my whole life... Inked Brotherhood Series: Four young men with the same fate. They all share a dark secret from their past. Their tattoos mark them as brothers in ink. Will they overcome their challenges? Four young women who have a crush on each of the friends. Will they be able to get through to them and make them happy? The series comprises four interconnected, stand-alone stories: Dom, Preston, Luke and Jacob. Readers should be 18 and over due to graphic language, sex, and violence.
