A collection of poems and short stories. These short stories have insight in different young girl's difficult lives. Also, a few fantasy stories are included.

I apologize to anyone who previously bought the book and the words were run together. When this was pointed out to me, I fixed it. Excerpt from "Letter to An Ex": I am a drug in every sense of the term. I am addicting. You use me, and longer than you should, and, then, you don't want to give me up. I am very, very bad for you, yet I can help you. I am something you will always want, but should never have. And, I hurt you. I'm sorry.
