The world changed forever in the course of one night, the first night of the zombie epidemic. A count number of people were killed only to rise again as the walking dead. This collection of diaries are the first-hand accounts from people that witnessed what happened and describe in their own words what they experienced. Gathered from handwritten journals, reports, notes, audio and video recordings -the Dead Walk Diaries paints a vivid picture of the horror, atrocities, and chaos that occurred the first night the dead walked and attacked the living.
