When pop star Starly Minx freezes onstage during a show, she knows what her guilty conscience is telling her. She has to make things right with her nemesis, Hope Falls' own Karina Black. And she has to do it without the paparazzi finding out. If only she didn't have to leave behind the man she's been secretly pining for—her sinfully hot bodyguard Hunter McGraw. Hunter just turned in his resignation.

He desperately needs to get some distance from the distracting, enchanting Starly and get on with his life. But if she's going to Hope Falls, he's going after her. Who else is going to keep her out of trouble? And with two feuding pop stars in the same tiny town, trouble is inevitable. They can deal with the paparazzi. They can deal with the curious Hope Falls residents. But can they keep their feelings secret from each other? Is that even possible when every touch has them seeing stars?
